IEMSA History:

Founded in 1987 — IEMSA has been actively involved in emergency medical care in Iowa. The Iowa EMS Association has been the guiding force in:

- Initiating and supporting EMS legislation for funding of training and equipment for our volunteer services in Iowa.
- Representing you on task forces, advisory groups and boards at the local, regional, state, and national levels.
- Addressing issues that affect EMS services through service directors meetings and educational programs.
- Establishing a communication link for you through a newsletter that updates you on the Association's activities as well as current happenings in EMS.
- Bringing nationally recognized speakers and topics to a state-wide EMS Conference and Trade Show annually.

Our Vision:

The Iowa Emergency Medical Services Association (IEMSA) has the following vision:

- To promote and advance the quality of care and professionalism of those who deliver emergency medical care throughout Iowa.
- To promote and provide public education and information related to emergency medical care.
- To serve as a channel of communication for local and county EMS groups to share their concerns with state and national agencies.
- To promote and develop the highest ethical standards for EMS care providers.
- To promote teamwork among those who are dedicated to saving lives and helping the sick and injured.
